

Steward Review Dashboard Sheet

Place / node: _____ Date: _____

Review period: _____ Reviewed by: _____

A periodic review option for stewards, schools, and field teams. Use this three-stream frame only where it fits the inquiry and has been locally agreed. Report 04 companion · Format 1 v1.1 · August 2026 · Optional local template.

Use by local agreement: Choose the review cadence and depth from the place, inquiry, season, and steward capacity. If this frame is used, read the three streams separately.

End point: Decide the next bounded period clearly.

A

Land and Ecology

Is the place becoming more alive, protected, and stable?

- soil cover and mulch
- water behaviour
- plant vitality
- signs of life
- whether planned care happened

Circle one:

☐ GREEN ☐ YELLOW
☐ RED

Short note

B

Steward Viability

Can the people carrying the work continue without exhaustion?

- time and energy
- basic needs
- role clarity
- overload or conflict
- ability to sustain the locally chosen rhythm

Circle one:

☐ GREEN ☐ YELLOW
☐ RED

Short note

C

Governance and Collaboration

Are roles, agreements, and next steps clear enough to proceed?

- known decisions
- clear responsibilities
- aligned expectations
- separation of money, purpose, and decisions
- whether the next bounded period is decided

Circle one:

☐ GREEN ☐ YELLOW
☐ RED

Short note

Important rule

Do not force green. Yellow or red is not failure. It is useful honesty.

Green may justify a small next step.

Yellow usually calls for adjustment.

Red calls for protection, pause, or repair.

Next bounded period

What will happen next?

Who is responsible?

What must not be started yet?

Next review date

Remember: If this frame is used, read the three streams separately. Then decide the next bounded period clearly.

add mulch

repair water access

pause expansion

plant next pixel zone

invite one new person

start next school cycle
