

Bounded Action Sheet

A PG Ledger action record for when bounded action needs to be named. It may follow a Format 1 review, an observation, or a decision; if no action is needed, do not create one. Use a locally chosen action period. Format 3 v1.2 · August 2026 · Candidate tool.

Place / node: _____ Date: _____

Review period: _____ Filled by: _____

Use when action is needed. Choose no more than three real actions for the next bounded period. Assign each clearly. **Rule:** Do not list more than three actions or try to fix everything at once.

Who calls the next reading

One thing to watch closely

Green may justify a small next step. **Yellow** calls for adjustment. **Red** calls for protection, pause, or repair. **Unknown** means the evidence is not sufficient for a reading. This is an action-triggered record, not a monthly duty. If it contributes to an agreed PG Ledger, keep, date, and file it according to the evidence practice.
